KEY POINTS AND RECOMMENDATIONS

- Non-holiday sales dominate:** Non-holiday sales contributed **92.49%** of total weekly sales, showing strong regular-period demand.
- Large store performance gap:** Store **20** recorded the highest sales (**£301.40M**), while Store **33** recorded the lowest (**£37.16M**).

Recommendations

- Improve holiday promotions** to increase the low **7.51%** holiday sales contribution.
- Study Store 20's strategies** and apply successful practices to lower-performing stores like Store 33.
